

# It's not the size

it's what you do with it

A graphic element in the bottom left corner consisting of a series of white, rounded rectangular shapes arranged in a scalloped, cloud-like pattern. Below this pattern is a solid black shape containing the text 'bitesize cinema' in pink and white.

**bitesize**  
cinema

At Bitesize Cinema, we scour the world of short film for award-winning, original work from the hottest new movie-making talent. Each quarterly festival features genres and styles to suit all palates. Check cinema listings for screening details.
